Journal

Tuesday - 9 April 1963

25X1

[REDACTED] Met with William Darden, Senate Armed Services Committee staff, and brought him up to date on the status of a sensitive matter so that he might brief Chairman Russell. I also advised Darden of our intention of talking with Senator Saltonstall regarding his query to Stuart French, of the Preparedness Investigating Subcommittee staff. I pointed out that we wish to keep matters of this sort in Subcommittee channels insofar as possible. Darden agreed with this approach.
